

IQAC, IIC
PG & Research Department of Microbiology & Biotechnology
Jointly organised
National Webinar on
“INTELLECTUAL PROPERTY RIGHTS”

About the College

Sengunthar Arts and Science College, popularly known as SASC, was founded in 1991 by Sengunthar Education Trust. It is a pioneer, self-financing, co-educational Institution, situated in serene green surroundings at Tiruchengode. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. The college offers 14 UG Course, 9 PG Courses and 4 Research programmes. All the PG Departments are housed in a separate block with modern laboratory facilities. As a crown to the glory of SASC, the students bagged 85 Gold Medals and 654 University Ranks from the inception of the Institution.

About the Microbiology Department

The Department of Microbiology, Sengunthar Arts and Science College was established in 1993 with a view to provide knowledge, skill and services in Microbiology. Department offering B.Sc., Microbiology, M.Sc., Microbiology, M.Phil. and Ph.D., in Microbiology. Department has excellent infrastructure for teaching and research. The alumni of the department occupy government officials, microbiologist, scientist and great responsibilities in R&D institutions, pharmaceutical, biotech industries colleges and hospitals. The choices and opportunities in India and abroad for microbiologist make is feel at the top of a sky

scraper. Many of the students have brought honour to the institution, including gold medals in the university examinations. The department has to its credit 14 Gold Medalists and 110 Rank Holders.

About the Biotechnology Department

The Department was established in the year 2003 with the goal of educating innovations for the aspires and to meet up the technical needs of the industrial sector. Department offers a full time UG, PG Biotechnology programme, full time and part time M.Phil Biotechnology programme. Department has highly qualified and experienced faculties who actively involved in academics, research and extension activities. Department has spacious well equipped Individual laboratories for UG, PG, Research and state of art seminar hall. Our student has bagged 9 Gold Medals and 40 Rank Holders so far in the University Examination.

About the Programme

Intellectual Property Rights (IPR) is exclusive rights that are given a rule to a person or group of people for their work. In simple terms IPR includes Copyright, Patent Rights and Brand Rights. IPR is to protect and stimulate the development and distribution of new products and the provision of new services based on the creation and exploitation of inventions, trademarks, designs, creative content or other intangible assets.
